Unexcused - Athlete will do the same conditioning that the team performed the day the athlete missed.

- Athlete will not start the game that week.

Note: Any unexcused absence also gives the coach the authority to not allow your student/ athlete to play that week. Excessive unexcused absences will result in complete removal from the program.

ACADEMICS

Student athletes are expected to maintain a grade average of 70 or above in every class. Student athletes must plan their time wisely. Using athletics as an excuse to not do your homework or using your homework as an excuse to not practice is not acceptable. Tutoring is available from 3:20 PM to 4PM. Student athletes WILL use this time to help ensure they pass their classes.

INJURIES

All injuries need to be reported to the event coach. The coach will then contact our trainer (Frank Acevedo) if necessary. In the event of an injury the student athlete will undergo treatment prescribed by the trainer. The student athlete will still be required to dress out, attend practice and games and fulfill any athletic responsibilities. If a doctor's note is turned in, the trainer must have a doctor's release note before returning the student athlete to practice or play.
